## SignTorch Stencil Factor

**Special Marks on the end of each filename** to indicate if the design is a silhouette, stencil, or other 1 piece design or not. Pictures below assume grey represents final material.

---

**\_Underscore** means the design is a pure silhouette with no holes. It has one cut around the periphery and can be cut either into or out of one solid piece of material.

**=Equal Sign** means the design is like a silhouette but it has interior holes. The design can be cut out to form one solid piece but it cannot be cut into one solid piece of material.

**#Pound Sign** or **!Exclamation** preceding either above symbol means there are multiple disconnected primary objects in the scene where some sort of connection is required to produce a one-piece design. Such as two animals or two people that are not connected.

**+Plus Sign** means the design has multiple solid but disconnected elements. The design can be cut into one solid piece of material but it cannot be cut out as one solid piece.

**Stencil Factor** is irrelevant for vinyl cutting, engraving, and processes with backing material to hold loose pieces in place. If none of the above marks are appended to the end of the filename, then the design is not one-piece. Stencil Factor Marks **only** indicate one-piece geometrical qualities. They do not indicate whether the design itself is actually compatible with any particular cutting process or any particular size of project.

Otherwise, the license shall not apply to product obtained by any other means, except certain product files obtained by download directly from signtorch.com where explicit permission is given on signtorch.com to download product files from signtorch.com, and product sample files. Product sample files may not be used for any commercial purpose.

Only one license agreement, the latest issued and agreed to, may be claimed by any licensee. The latest agreement accepted by the licensee supercedes all previous agreements and applies to all product actively licensed to the licensee. Any breach or termination of any license agreement terminates any and all past, current and future license to use the product. If any product contains more than one copy or version of an agreement, only the latest agreement is valid. Any use or possession of any unlicensed product terminates any and all past, current and future license to use the product.

If you do not agree with the terms of this license, do not open the sealed CD container, and return the product for a full refund.

You may use the product only if you agree with and comply with the terms of this license agreement. Opening the sealed CD container or otherwise using the product constitutes agreement with the terms of the license agreement.

Neither we nor our dealers or suppliers shall have any liability to you or any other person or entity for any indirect, incidental, special, or consequential damages whatsoever. We are also not responsible for claims by a third party. Our maximum aggregate liability to you and that of our dealers and suppliers shall not exceed the amount paid by you for the product.

This license shall not apply if the product is not purchased directly from Gary DeWitt, signtorch.com, or an authorized reseller, or if the license is improperly transferred from a former licensee, or if the product is obtained from any other source.

You may make and sell physical, non-digital items based on the product, except you may not make items that allow or enable 3rd parties to reproduce the product.

You may incorporate the product into your own original work and publish, display and distribute your work only in compliance with this agreement. You may not claim to be the author of the work.

You may not display or distribute the product in any vector image format under any circumstances. You may not print the product larger than 2 inches across unless it is fully embedded in your own original work formatted such that the product cannot be easily extracted or copied.

You may not rent, lease, sublicense or lend the image(s), or a copy thereof, to another person or legal entity. You may, however, transfer all your license to use the product to another person or legal entity, provided that (i) you transfer the product and the license on the original CD, including all copies (except copies incorporated into your work product as permitted under this license), to such person or entity, (ii) that you retain no copies, including copies stored on a computer or other storage device, and (iii) the receiving party agrees to be bound by the terms and conditions of this license;

You may not incorporate the product in any sort of trademark or logo or make stencils, stamps or patterns for 3rd party reproduction.

Academic edition may only be used by educational institutions for institutional purposes at the institution and may not be used by any other individual or business for any purpose or at any other location.

You may not use the product except as expressly permitted by this license.

The Terms of Use and this license shall be governed by the laws of the State of Texas. You agree to submit to the personal and exclusive jurisdiction of the courts located within the county of Orange, Texas, USA and adjacent Texas Federal Court Districts. The failure to exercise or enforce any right or provision of the Terms of this agreement shall not constitute a waiver of such right or provision. If any provision of this agreement is found by a court of competent jurisdiction to be invalid, the parties nevertheless agree that the court should endeavor to give effect to the parties' intentions as reflected in the provision, and the other provisions of the license remain in full force and effect.
