SignTorch Stencil Factor

Special Marks on the end of each filename to indicate if the design is a silhouette, stencil, or other 1 piece design or not. Pictures below assume grey represents final material.

_Underscore means the design is a pure silhouette with no holes. It has one cut around the periphery and can be cut either into or out of one solid piece of material.

=Equal Sign means the design is like a silhouette but it has interior holes. The design can be cut out to form one solid piece but it cannot be cut into one solid piece of material.

#Pound Sign or **!Exclamation** preceding either above symbol means there are multiple disconnected primary objects in the scene where some sort of connection is required to produce a one-piece design. Such as two animals or two people that are not connected.

+Plus Sign means the design has multiple solid but disconnected elements. The design can be cut into one solid piece of material but it cannot be cut out as one solid piece.

Stencil Factor is irrelevant for vinyl cutting, engraving, and processes with backing material to hold loose pieces in place. If none of the above marks are appended to the end of the filename, then the design is not one-piece. Stencil Factor Marks **only** indicate one-piece geometrical qualities. They do not indicate whether the design itself is actually compatible with any particular cutting process or any particular size of project.

We are also not responsible for claims by a third party. Our maximum aggregate liability to you and that of our dealers and suppliers shall not exceed the amount paid by you for the product.

This license shall not apply if the product is not purchased directly from Gary DeWitt, signtorch.com, or an authorized reseller, or if the license is improperly transferred from a former licensee, or if the product is obtained from any other source.

You may make and sell physical, non-digital items based on the product, except you may not make items that allow or enable 3rd parties to reproduce the product.

You may incorporate the product into your own original work and publish, display and distribute your work only in compliance with this agreement. You may not claim to be the author of the work.

You agree to submit to the personal and exclusive jurisdiction of the courts located within the county of Orange, Texas, USA and adjacent Texas Federal Court Districts. The failure to exercise or enforce any right or provision of the Terms of this agreement shall not constitute a waiver of such right or provision.
